. A CARD From the Adams Express Co.

A CARD. ssrs. Jos. L. Hall & Co., manufacturers of Hall's Messers, Jos. L. Hall & Co., manufacturers of Hall's Hurghar and Fireproof Safes:

Dear Sir—Our large Hall's Fireproof Safe was taken from the ruins of Pike's Opera house this afternoon, after being subjected to the most in tense heat for four days and four nights, or about ninety hours and our books and valuable papers and United States Bonds deposited with us, were preserved in good condition. The fire was still burning with such intensity that, when taken out, it could not be opened till cooled by a stream of water. We think we can say nothing more in favor of your invaluable safe than to state the fact, that this test, surely as severe an one as safes can be subjected to, has resulted in such entire satisfaction both to you and ourselves. Yours truly.
